

# Public Consultation

**A Reserved Matters planning application is currently being prepared by Kier Living for the erection of 38 new homes at Land off Pinewood Drive, Woolwell.**

The site already benefits from outline planning permission for residential development granted in June 2018, as such the principle of development is already established. The Reserved Matters application will provide details regarding layout, scale, appearance and landscaping of the development.

The local community and other interested parties have an opportunity to view the emerging proposals for the site on **Tuesday 17th March** between **3pm and 7pm** at **The Woolwell Centre, Darklake Lane, Woolwell PL6 7TR**

You will be provided with the opportunity to view, discuss and comment on the detailed proposals before an application is formally submitted to South Hams District Council.

The Kier Living team look forward to seeing you.
